

OFFICIAL RACE SERIES RULES & REQUIRED EQUIPMENT

RACING RULES

- Racers must follow the marked course at all times. If a participant elects to exit the course for any reason, they are required to check in with race officials at the race start/finish before leaving the resort.
- It is the racers responsibility to study the course maps, descriptions, transition points, and be familiar with the terrain. If you are unsure of a specific portion of the course, contact a race official for details.
- There is no aid along the course. Racers are responsible for bringing their own water and nutrition.
- Racers in the SPORT and PRO/OPEN categories are required to register a cell phone number with race organizers and carry that cell phone during the race. Cell phones are intended to provide a method of communication between race officials and participants in the event of a delayed finish or emergency.
- Racers must ascend with skins and descend with boots locked into "ski/board" position (not applicable for telemark racers).
- Skins need to be fully tucked into suit/jacket/pack prior to descending.
- Poles must be flat on the ground during transitions.
- Any unsportsmanlike conduct, actions considered to be dangerous or jeopardizing racer safety or the proper running of the race will result in disqualification.
- Racers are required to render aid or assistance to anyone in distress, contacting race officials, ski patrol or 911 in the case of emergency.
- Full season passes are not required, but racers are required to sign the Steamboat Resort Uphill Access Agreement, pay the uphill pass fee, and wear the reflective arm/leg band during races.
- All racers must have a signed Steamboat Resort & City of Steamboat Springs Event Waiver on file.
- Courses are marked with flags for 1) GREEN: Ascents 2) RED: Descents, and 3) YELLOW: Bootpacks. Transition areas will be marked with additional signage and/or blinking lights. Markings will be frequent enough to delineate important course transitions and turns, but may not always be visible from flag to flag dependent on weather conditions and visibility.
- No littering.
- Race number must be worn on your front, outermost article of clothing.
